## 3d Battalion, 11th Marines (3/11) Foundation

“Helping Wounded Marines  
of Every Generation”

[www.3-11marines.org](http://www.3-11marines.org)

## Mission

The mission of the 3/11 Foundation is to aid wounded Marines; to continue to support the Marine Wounded Warrior Detachment at the San Antonio Military Medical Center (SAMMC); and to seek additional opportunities to help wounded Marines of every generation. Marine Wounded Warriors are defined as combat and non-combat wounded, ill, and injured Marines; Sailors attached to Marine units; and their family members.

The 3/11 Foundation adheres to the criteria stated in the USMC Wounded Warrior Regiment's Mission Statement to determine projects to support: "The Wounded Warrior Regiment is the official command charged by the Commandant of the Marine Corps to provide leadership and facilitate the integration of non-medical and medical care to combat and non-combat wounded, ill, and injured (WII) Marines, sailors attached to Marine units, and their family members in order to maximize their recovery as they return to duty or transition to civilian life."

## History

In 2006, Marines who served with 3d Battalion, 11th Marines (3/11) in Vietnam met to share knowledge of fallen and missing comrades and to enjoy one another's company. Annual "Battery Adjust" reunions of a loosely formed 3/11 Association ensued.

During the 2011 reunion, 3/11 Association members met combat-wounded Marines attached to the Marine Wounded Warrior Detachment at the San Antonio Military Medical Center (SAMMC). Wanting to help out in some way, Association members generously donated a golf cart so the Marines could get to appointments more easily.

On October 14, 2013, the 3/11 Association established the 3/11 Foundation as a non-profit to assist the Marines of the Wounded Warrior Detachment at SAMMC more effectively and to help other Marine Wounded Warriors as needed.

The 3/11 Foundation is an Internal Revenue Service-recognized 501(c)(3) charity incorporated in the State of Texas.
